

Who are we?

Kirey is dynamic, innovative, different and creative information technology company that offers systems integration and consultancy services. With a team of professionals and experts in the ICT sector **Kirey** is able to meet the needs of customers worldwide. We are part of the **Kirey group** and we have professional support from colleagues in Italy, Romania, Croatia and Africa.

We are looking for people like you, talented, team player and willing to learn, to strengthen our organization: it's just a matter of time before you will join us and start building your success with us.

What do we offer?

In collaboration with **Metropolitan University** we offer scholarships to students in **Niš** which will enroll to first year of the Software Engineering BSc program. **The scholarship includes coverage of tuition fees and can take up to all 4 years, plus for good students, and with good practical results, additional financial benefits will be given.** More important, a highly skilled and experienced mentor will be assigned directly to you and you will get a lifetime opportunity to learn within a professional environment on technologically advanced and innovative projects.

What do we expect from you?

You will perform the practical part of your studies with us. The practical part of your studies can include software development, design and other required engineering. We expect you to fulfil both theoretical and practical parts of university responsibilities.

Candidates must be straight thinker and passionate about their growth, have excellent social and communication skills and proven ability of team working.

How to win the scholarship?

You need to [SIGN UP](#) until 31.08.2019.

Our resources and ideas make us unique, and who does not want to be part of that? We will not say: "Create the future" because we already did that, we are calling you to become the future. Interested?

We know you are.

Please, note that the scholarships are offered only to those students who are stated in Niš.
